SATSUMA MANDARIN WITH LEAF 22LB

Satsuma mandarins with leaves attached are nutrient-dense, seedless, and easy-to-peel fruits offering high vitamin C, vitamin A, potassium, and antioxidants to boost immune function and skin health. The leaves are a hallmark of freshness, often indicating a premium, recently harvested product, while the fruit's low-calorie, high-fiber composition supports digestion and heart health.

SUPER PRICE

JUMBO CARROT 50LB

Jumbo carrots, like standard carrots, are nutrient-dense root vegetables rich in beta-carotene, fiber, potassium, and antioxidants. They support vision health, boost immunity, aid digestion, and promote heart health by lowering cholesterol. Their high fiber and low-calorie content makes them excellent for weight management and blood sugar control.

SUPER PRICE

HYDRO CUCUMBER 12CT

Hydroponic (hydro) cucumbers offer significant advantages, including faster growth rates, higher yields (up to 52% more), and superior, consistent quality. These soilless, nutrient-rich systems allow for year-round cultivation with significantly reduced water usage, no soil-borne pesticides, and increased, tender production compared to traditional farming.
