## WEEKEND SALE

Choose Your Best Vegetables !

<ALL ITEMS ARE BOX PRICES>

### BOX SALES ONLY !

#### KOREAN SWEET POTATO

Korean sweet potatoes (often called goguma) are a highly nutritious, nutrient-dense root vegetable. They offer excellent dietary fiber, antioxidants, and vitamins. Their unique, custardy, and chestnut-like flavor makes them an ideal, naturally sweet, and healthy addition to your diet.

SALE PRICE

**\$38.00**

**SUPER PRICE**

#### LAGRE FUJI APPLE 40LB

Large Fuji apples are highly nutritious, boasting a very high polyphenol and flavonoid content compared to other varieties. They provide a dense source of immune-boosting vitamin C, heart-protective quercetin, and pectin fiber, all in a naturally sweet, satisfying crunch.

SALE PRICE

**\$43.00**

**SUPER PRICE**

#### GREEN ONION 48CT

Green onions (scallions) are low-calorie, nutrient-dense vegetables packed with vitamins, minerals, and potent antioxidants. They provide exceptional health benefits by boosting immune function, reducing inflammation, supporting heart health, and promoting healthy digestion.

SALE PRICE

**\$18.00**

**SUPER PRICE**

#### ORRI MANDARIN 22LB

Orri mandarins are highly prized for their exceptional sweetness, creamy texture, and easy-to-peel nature. Beyond their great taste, they provide a rich source of Vitamin C, dietary fiber, and essential minerals like potassium, promoting immunity, heart health, and glowing skin.

SALE PRICE

**\$47.00**

**SUPER PRICE**

#### KABOCHA SQUASH 30LB

Kabocha squash (often called Japanese pumpkin) is a highly nutrient-dense winter squash. It offers a sweet, chestnut-like flavor while being low in calories. It is exceptionally rich in dietary fiber, beta-carotene (which converts to Vitamin A), and Vitamin C, making it a fantastic addition to your diet.

SALE PRICE

**\$23.00**

**SUPER PRICE**

#### ROMA TOMATO 25LB

Roma tomatoes are nutrient-dense powerhouses rich in vitamins A, C, and K, as well as potassium and folate. Most importantly, their deep red color indicates a high concentration of lycopene, a potent antioxidant that promotes heart health, reduces inflammation, and may protect against certain cancers.
